Sir:

Petitioner, AGILENT TECHNOLOGIES, INC., is the owner of one hundred percent interest in the instant application. Petitioner has reviewed the evidentiary Assignment documents, and to the best of the undersigned's knowledge and belief, the title is in the name of AGILENT TECHNOLOGIES, INC., as specified previously. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 USC 154 to 156 and 173, as presently shortened by any terminal disclaimer of prior U.S. Patent No. 6,694,001, issued February 17, 2004. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.
